## **BEST LINKING GROUP HOLDINGS LIMITED**

**永聯豐集團控股有限公司**

*(Incorporated in the Cayman Islands with limited liability)*

**(Stock Code: 8617)**

### **PROFIT WARNING**

This announcement is made by Best Linking Group Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 (the “**2020 Interim Period**”) and other information currently available to the Company, the Group expects to maintain a positive unaudited net profit from the continuing operations for the 2020 Interim Period. However, such unaudited net profit is anticipated to decline by approximately 60% to 70% for the 2020 Interim Period, as compared to the unaudited net profit of approximately HK\$10.5 million (excluding the non-recurring listing expense) for the six months ended 30 June 2019.

The outbreak of the novel coronavirus (COVID-19) pandemic (the “**COVID-19 outbreak**”) in 2020 and the resulting mandatory extension of holidays in China and quarantine measures taken by multiple countries led to a temporary suspension of the operation of the Group’s manufacturing plant. This suspension of operation and the challenging local and global market condition had a material impact on the Group’s overall performance and financial results for the 2020 Interim Period. Nevertheless, our production activities resumed in late March 2020. Given the current development of the COVID-19 outbreak, the Group anticipates a challenging year ahead.

Globally, our customers and suppliers may also find challenges during the COVID-19 outbreak. The challenges caused by the pandemic have affected the operation and business performance of many industries and in many countries in the short run. The resulting uncertainties may also bring deeper impact in the long term. Thus, the crisis has prompted many industry players and management to re-examine and refine business development plans.

As the Company is still in the course of preparing the interim financial results of the Group for the 2020 Interim Period, the information contained in this announcement is only based on a preliminary assessment of unaudited consolidated management accounts of the Group and other information currently available to the Company which has not been reviewed or audited by the auditors. The actual results of the Group for the 2020 Interim may be different from what is indicated in this announcement. Details of the interim financial performance of the Group will be contained in the interim results announcement of the Company for the 2020 Interim Period, which is expected to be published by no later than 15 August 2020.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
